-
-
-
-
-

6. I would draw sketches before I start work on my new invention / I have already drawn sketch on my Invention.*

Yes No

7. I maintain a log book from the day I got the idea for the new invention. *

Yes No

8. List of material/ items used for developing the invention

.....
.....
.....
.....
.....

9. I will use / have used the following electric instruments / appliances to build this.*

.....
.....
.....
.....

10. I will obtain help from the others to build this/already have received help and assistance*. State the details regarding divisions and the instructions you expect to obtain.

.....
.....
.....

11. Has this been presented to a 'Junior Inventor of the Year Competition' in a previous Year? **

Yes No

If so the year of competition

--	--	--	--

Was an award received for the New Invention? Yes No

12. Has this been presented to any other competition other than a 'Junior Inventor of the Year Competition'? **

Yes No

If presented, the name of the Competition

.....

Was an award received for the same? **

Yes No

Have the relevant details been annexed? ***

Yes No

13. Has this invention been already made and completed? **

Yes No

14. I have made a search to find out whether there is a similar thing to this invention before I made this appliance, and I confirm that to my knowledge there is no such thing in use at present or invented at present.

I hereby certify that the information I have supplied above is true and correct. I hereby agree to furnish further information in case it is necessary and to abide by the rules and regulations issued by the Institution of Engineers, Sri Lanka.

Name of Applicant -

Signature of Applicant -

Date -

- * - Strike off irrelevant words
- ** - Mark only the relevant square
- *** - Please use a separate sheet
