

**Publication Checklist for prospective authors aspiring to publish in the Journal 'ENGINEER'**

Steps	Procedure	Alternatives
1.	Go to IESL web-site <a href="http://www.iesl.lk">www.iesl.lk</a> and follow the link to Journal web-page - ENGINEER. Thoroughly peruse and familiarize with the content available (including web-links) for information on Scope, Level, Content, Editorial policies, Copyright conditions, Indexing, Archiving, etc.	
2.	Ascertain whether at least one of the authors of the prospective paper has a membership in any one of the categories in IESL.	If you have a high impact finding related to engineering to report, you may submit a paper, though none of the authors have membership at IESL. It may be accepted for processing if the Editor and the Editorial Board are satisfied of its impact.
3.	Download following documents on publication in ENGINEER namely; Overview on Publication ... ( <a href="http://iesl/journal/overview">iesl/journal/overview</a> ), Offer to Submit ... ( <a href="http://iesl/journal/offer">iesl/journal/offer</a> ) and Format & Layout ... ( <a href="http://iesl/journal/format">iesl/journal/format</a> ), from the website ( <a href="http://www.iesl.lk">www.iesl.lk</a> ) and compile the paper strictly adhering to the formats and guidelines therein.	
4.	Download from IESL website <a href="http://www.iesl.lk">www.iesl.lk</a> a form to be filled by the authors offering a paper for publication in the Journal ( <a href="#">iesl_journal_offer.pdf</a> ). This form duly filled and signed should accompany the manuscript of the paper.	
5.	Submit hard copy of the duly filled offer form along with two hard copies of the manuscript of the paper to the; <i>Manager Publicity, Publications Division The Institution of Engineers, Sri Lanka 120/15, Wijerama Mawatha, Colombo 07, Sri Lanka.</i>	Electronic submission is possible through email to Manager Publications ( <a href="mailto:dir.pub@iesl.lk">dir.pub@iesl.lk</a> ). The <u>Offer Form</u> should be sent as a scanned document (in .jpg or .pdf form, scanned at 300 dpi). Manuscript shall be in MS Word format or .pdf format.
6.	Publication Division will inform whether the paper has been preliminarily accepted for review/ modifications are needed/ or not accepted.	
7.	During review process cycles, Referees comments/suggestions/ modifications will be informed to the corresponding author from time-to-time for action.	Corresponding author may query the progress of the review process from Manager Publications ( <a href="mailto:dir.pub@iesl.lk">dir.pub@iesl.lk</a> ) or Staff Assistant, Publications (SA[P]) <a href="mailto:ieslpub@gmail.com">ieslpub@gmail.com</a> .
8.	Corresponding Author will be informed of the final acceptance/rejection of the paper.	

Eng. Prof. T. M. Pallewatta  
Editor - ENGINEER
